University of Illinois Urbana-Champaign • Champaign, IL

Bachelor of Science (B.S.) Computer Science (Attended January 2019 – December 2021)

University of Central Florida • Orlando, FL

WORK EXPERIENCE

SS&C Technologies • Software Engineer • April 2022 – Present

- *Maintained and supported different applications, typically being written in TypeScript (Angular), Java (Spring Boot) or legacy C++.*
- *Worked as a full-stack developer to develop internal business tools to modernize, optimize and unify different client functions used within the company.*
- *Converted old legacy applications and helped develop new applications to run within our private cloud infrastructure.*
